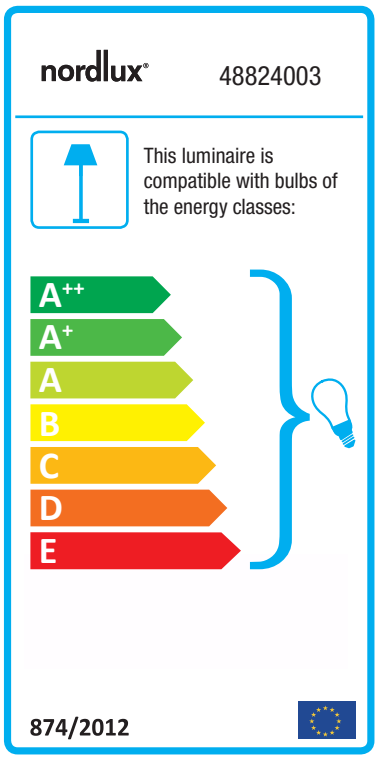
# Adrian

Height (cm): 151
Shade diameter (cm): 12.5
Tube diameter (cm): 1.5
Tilt angle: 360°

## Adrian

Item number: 48824003 Black
EAN: 5701581462588

Packaging unit 2
Material: Metal/Plastic
IP20, Class 2 (Double isolated), 230V
Cord: 180 cm, Black/White textile cable
Can the cable be replaced? No
Switch on the cable
E27, Max. 25W, Light source not included

Area: Indoor
Energy class A++ - E


With its raw and industrial design, the Adrian series creates a contrast to the bright and feminine Nordic interior style. The interaction between the rough surface and the integrated screws reinforces the industrial expression. In contrast to the rough design, the screen creates cosy lighting with downward light and simultaneously spreads the light out into the room through the screws on the side, contributing to a whole new lighting experience.
